EXPERIENCE

Freelance Illustrator and Designer GloDraws - Clermont, FL

01/2020 - Present

- Collaborated with authors and publishers to bring narratives to life, ensuring alignment with artistic vision and target age group for children's books.
- Produce illustrations tailored for themed entertainment encompassing ride vehicle designs, ride track layouts, character conceptualization, storyboarding, and visual development, effectively translating ideas into immersive experiences.
- Created content for social media platforms and personal websites that tailor the desired theme and aesthetic of the project.
- Graphic Design and branding including typography, logos, and color designs.
- Adhering to deadlines and project management while upholding a high standard of quality and organization in the deliverables, ensuring client satisfaction and project success.

Caricature Artist Cast Member

06/2022 - 09/2022

The Walt Disney Company / Artistic Talent Group - Orlando, FL

- Created caricatures within a fast-paced environment, mastering a new art style utilizing various traditional art supplies to meet guest demands efficiently.
- Managed sales transactions by processing customer orders and accurately calculating totals after each shift, ensuring precise financial accountability.
- Established connections with park guests, embodying the essence of a longstanding Disney tradition.

Disney College Program Cast Member

07/2021 - 01/2022

The Walt Disney Company - Orlando, FL

- Offered customer service that promotes The Five Keys — Safety, Courtesy, Inclusion, Show, and Efficiency - embodying Disney's core values to enhance guest experiences.
- Demonstrated ability to effectively manage multiple tasks concurrently in fast-paced environments.
- A strong team player fostering a positive environment and contributing actively to achieve collective goals.

Resident Assistant

Savannah College of Art and Design - Savannah, GA

09/2019 - 03/2023

- Supported the residence hall team by fulfilling diverse responsibilities like organizing floor meetings, collaborating with team members, and ensuring university safety protocols and regulations.
- Demonstrated strong public speaking skills while assuming leadership responsibilities, effectively engaging and guiding residents within the community.
